1

Your Website is your Store

Design, Development, CMS, Hosting,
Security, Maintenance, Tech Audits,
Compliance, Refresh, Administration

MARKETING WEBSITE
STARTING AS LOW AS

 \$175 mo

2

Content is your Products

What do you want to sell? Services,
Products, Answers, Solutions, ideas. Where
do you want to sell it? What cities?

3

Marketing = Visibility

Are you an option for the things you want to
sell, in the cities you want to sell them?

Marketing makes you visible, an option when
and where people are looking.

Local Listings, social marketing, seo,
blogging, email, text, print, video, ppc, ads.
