THE PROBLEMS OUR CLIENTS FACE

1 Customer expectations are higher than ever and we can't keep up

2 We don't have the time, bandwidth, resources, or money to man all communication channels

3 We don't leverage our data to our advantage

4 We are spending a lot of money on advertising but have no idea if the traffic is converting efficiently
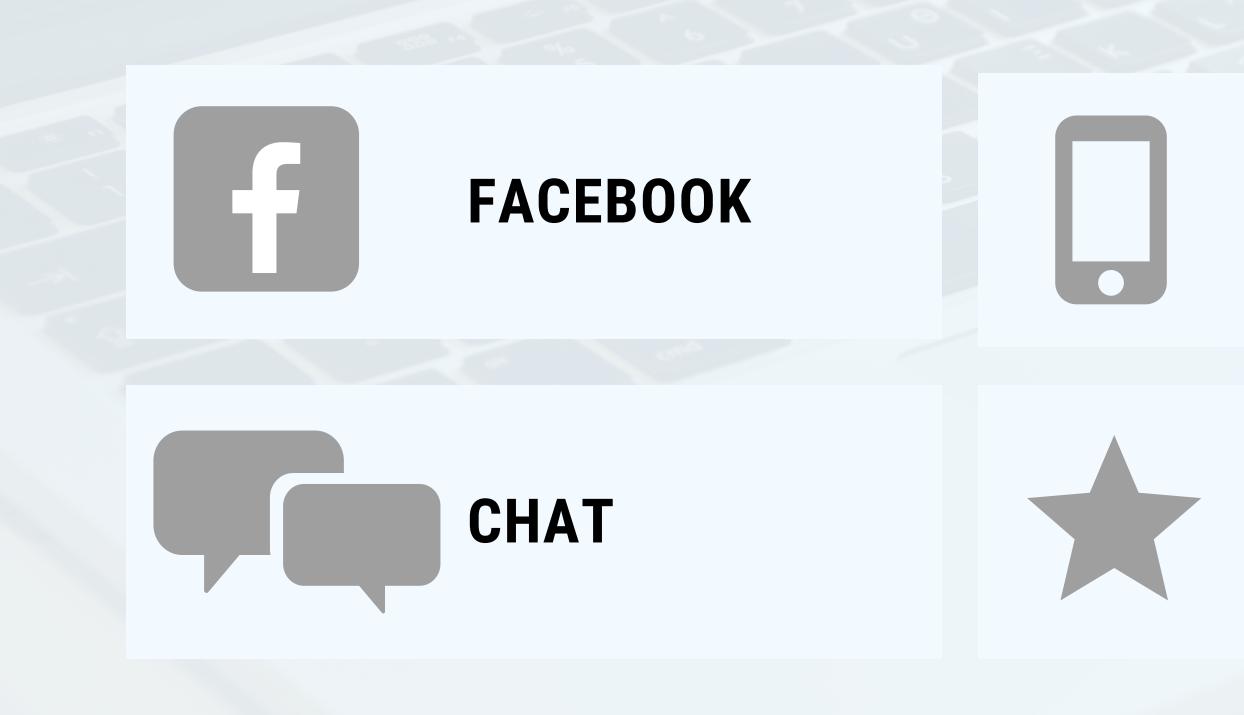

5 We spend a lot of money on internal labor or 3rd party live chat partners

6 We have high abandonment rate on our site

Never miss another customer!

GEORGE BRAZIL
24-HR SERVICE SINCE 1955
Plumbing • Electrical

"The increase of revenue generated from this chat function has almost tripled our form fill totals. I would have no hesitation to recommend this superior product"

MINICK LAW

"This chat bot has been addition to our website. Not only are we capturing more qualified leads, but we're able to know what someone needs before having a conversation with them. I would suggest the product to any legal practice."

ChasRoberts
A/C & PLUMBING

"The more I interact with the team the more uses I find to provide a better customer experience for my customers both now and in the future. Great product and great partner."

P
PREMIER
FAMILY DENTAL CARE

"We have been able to capture more patients each month from having the chat bot on our site. Huge benefit for our practice!"

Foundations
WELLNESS CENTER

"We have nothing but good things to say about the chat bot. We've been able to noticeably increase our online conversions. We've definitely seen a return on our investment."
